Dear Chris,

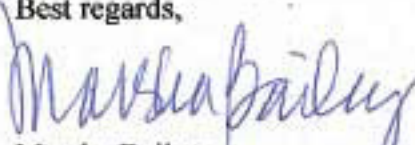

It is with great pleasure that I present you with this *Certificate of Achievement* on behalf of Women's Economic Ventures (WEV) and our 2004 Business Women of the Year Committee.

As you know, you were nominated by one of your peers for the 2004 Business Woman of the Year in Santa Barbara for the work you do in our community. As a leader in your field, we wish to recognize your accomplishments and thank you for setting an example of hard work and determination toward achieving your goals. You are an inspiration for all women in business.

Women's Economic Ventures helps women build empowerment and self-sufficiency through business training and personal development. WEV began providing programming for women in the areas of employment, economic literacy, and personal finance in 1987. In 1991, WEV established its self-employment training and microloan programs, and in 1997 we added a career development program. Today WEV provides services throughout Santa Barbara County, Ventura County and San Luis Obispo County, and licenses its training curriculum to organizations throughout the nation.

Thank you again for being a role model for women entrepreneurs. We hope to see you at one of our mixers in the future!

Best regards,

Marsha Bailey
